

Shear Tech AS-2000 DOCUMENT STRIPPING SYSTEM

The AS-2000 is a small, table-top, hand-drop only automatic check stripper - favorably priced to help small community banks and credit unions meet the "Check-21" requirements. No more costly, low speed check carriers and envelopes.

FEATURES:

- High speed (up to 3600 documents per hour).
- Works with both 1250 and 600 feet strip paper rolls.
- Automatic preload of a new paper roll.
- Adjustable strip length capability.
- Active stacker insures reliable collection of stripped checks.

POWER:

115 VAC
6 A
50/60 Hz

DIMENSIONS:

Height: 7.3 Inches
Width: 28.0 Inches
Dept: 17.5 Inches

WEIGHT: 40 Lbs.
